

MyTiki

General Description

Logged-in users can enjoy many convenient features in the MyTiki section. All of these features can be enabled/disabled by admin. Some features can't be offered to users without a [valid login name and password](#), so they are only present when a user has [logged in](#) to Tiki using a [valid username](#) and password, the features that are available to registered users are grouped in the MyTiki section.

Key Function and sub-features

The MyTiki section contains:

- Webmail
- Inter-user messages
- User notepad
- User tasks
- User files
- User calendar
- User menus
- User preferences
- User bookmarks
- User modules
- Newsreader
