UserPageTDobes

I'm fairly new to Tiki, but trying to learn as much as I can about it. Perhaps in the future I'll be able to help out with documentation or even development. (I hope so anyway.) Tiki seems like the best candidate for a new CMS for the web site I maintain, so I'm awaiting the 1.7 release to take the plunge into converting my site. We'll see how it goes. Anyway, I've rambled long enough, so ...uhm... this concludes my userpage. Thanks for reading. 😎
