UserPagelorello

I'm italian and I'm a developer of PostNuke CMS. I found tiki very advanced and I'm starting using it for some intranet work.

I hope to give some help to this developers' community.

How you can find me

You can found me on Jabber, at lorello@jabber.linux.it

You can send me an email at l DOT salvadorini AT framalo DOT net

You can come to Italy and make me a visit, I'm always very happy when someone jump up from nowhere
