

Activity: None, just sitting at computer desk

Interests: XML, text encoding.

Fun: XML, text encoding

Location: Bordeaux (France), Freiburg in Breisgau (Germany)

Objectives: migrate from JSPWiki (the best I have known yet) to Tiki (looks good as long as I can still having my xml code full of barbarian namespaces in the pages😡)

Homepage: Oh! god, I don't know when I see the end of it😓

Other: Oops, I didn't start my username with a capital letter...😓
